

November 24, 2020

Hello MMLA Parents and Guardians,

This continues to be a very unprecedented time in our world, but I can proudly say that our MMLA families have continued to stand for excellence! We are very fortunate to have our face-to-face learning program maintain a safe and healthy environment with CDC guidelines in place. I am impressed with how our MMLA program continues to work together during these unprecedented times. While we continue to embrace change and adjust to the new normal it is imperative that we support our students. Our learning campus has provided hot lunch, busing and rigorous academics with hard working staff and very supportive parents.

We have been reviewing reports and information from the CDC and local health departments that state COVID-19 cases are constantly rising in the Ingham County area and throughout the State of Michigan. We are taking a proactive approach to providing full health and safety measures.

MMLA will be moving back to virtual learning as of Monday, December 7, 2020 for all students. New schedules will be sent out by their homeroom teachers next week.

To support our families for preparing for school-wide virtual learning we are planning to continue face-to-face instruction from Monday, November 30 until Friday, December 4, 2020. However, bus transportation will be suspended. Current in-person students are welcome to begin virtual on Nov. 30 or parents may provide transportation to and from school. All students will be moving to virtual instruction after Dec. 4.

MMLA will continue to offer **free meal distribution** on Mondays & Thursdays from 1-2:30 pm.

We are planning to **return to face-to-face learning with bus transportation on Monday, January 11, 2020.** Hopefully, this would provide the opportunity for a healthy return.

MMLA Families, we must continue to stand together as ONE during these unprecedented times in our world for our children!

If you have any questions or concerns, please reach out to Mr. James directly at 616-540-4774.

From the lenses of your Principal,
Mr. James
