

PUBLIC NOTICE

RE: COVID-19

November 6, 2020

The Ingham County Health Department notified MMLA on Friday, November 6, 2020 regarding an adult who was on the school premises who has tested positive for COVID-19. This person was not inside the building. The two families associated with the students near the exposed adult were contacted and given quarantine information. We believe that our health and safety guidelines are working.
