RE: COVID-19

December 3, 2020

MMLA was notified on Wednesday, December 2, 2020 regarding a person who was on the school premises who has tested positive for COVID-19. This person did not show symptoms but was in the building for three days during the health department's contagion window; which was Nov. 30, Dec. 1, and Dec. 2.

The school building will be closed for face to face learning on December 3 & 4; and all students will transition to virtual learning by Monday, December 7 as originally planned.
