RE: COVID-19

January 26, 2021

The Ingham County Health Department notified MMLA on Tuesday, January 26, 2021 regarding an MMLA 5<sup>th</sup> grade student who has tested positive for COVID-19. This student was in the building for two days during the health department's contagion window; which was on January 23 & 24, 2021. Student did not start experiencing symptoms until January 25. All parents associated with the twelve students in the 5-B classroom were contacted and given quarantine information. The three MMLA staff members working with 5-B students in the classroom have also been given quarantine information. We are very confident that our health and safety guidelines are working.
